

Skagit County 2015 Top Employers

The Center for Economic and Business Research at Western Washington University asks businesses for permanent full-time employees based in Skagit County each year – the following table is for employment counts as of 12/31/15. Getting this information is harder than you might think due to differences in how companies define full-time, how to count people who work in different locations during the year, etc. Numbers in the table should be used for discussion purposes and reference, with an understanding of the uncertainty surrounding the numbers.

Not all companies contacted agree to have their employment numbers published. If an omission is believed to have occurred, please contact the Center for Economic and Business Research at Western Washington University by phone at 360 -650-3909 or by e-mail at cebr@wwu.edu.
