

Student Planning Sheet: BA, Business & Sustainability-Energy Studies Major

Students do not need to have all Foundation Courses completed to apply and be given pre-major status – students need to meet the following admission criteria.

- Confirmed admission to WWU
- Be in good academic standing with the University, a cumulative GPA of at least 2.50 in all college-level course work including any transfer work.
- Students must complete all **Twelve** foundation courses and be in good academic standing to be granted full major status.
- All classes must be completed with the grade of C- or better
